READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

So tight you can see the cock move through her pelvis.

Is It An Alien Or A Cock?

Dear Virgin Territory,

Cassidy is so cute that I had to order *Fuckin' Nerds 2* just to see her in action. I wanted to see this super tight pussy for myself. I was very excited when I saw she could barely fit that thick cock in her mouth. I couldn't wait to see it stretch her pussy out. Once the stud squeezed it into her pussy, you could practically see the cock moving inside her! Kind of like the scene from *Alien* when the alien comes out of the guy's stomach. Only, you know, not gross and it's a cock instead of an alien. I could tell he had to take it kind of easy on her pussy, as it seemed like she never had a cock that size before. Eventually they work themselves up to a steady pace, and I enjoyed seeing Cassidy bounce on that cock. I was proud of her when she was even able to take a pounding! She definitely earned that load of cum at the end, and she earned just as a big a load (maybe even two or three) from me. I would recommend this scene and movie to anyone who was curious about it.–V.V., Orlando, Florida

18eighteen will now be a bi-monthly publication on sale once every two months. We appreciate your support through this transition.

Dear V.V.,

We re-watched Cassidy's scene and we can see what you mean about the Alien reference. It's just another testament to how tight she is. Thanks for writing in and giving the movie a positive review. You can see Cassidy in some lezzie orgy action in the movie The Sex Tutor, *available for order on page nine.*

Naughty Natalie

Dear Virgin Territory,

Natalie's XXX layout was one of the hottest you've run in a long time. Although I prefer the girl to not stay clothed too long, I enjoyed seeing Natalie in her schoolgirl uniform and panties. She looks so sweet as she gazes up into the camera with a cock in her mouth. Those braces and her tiny tits go together perfectly. Every photo of the sex was hot, too. Great insertion photos. Keep up the good work.–M.M., via email

Dear M.M.,

Thanks. That scene is from the movie After School Slut Club 4, *which you can order on page nine.*

Spreading Is Her Specialty

Dear Virgin Territory,

The photos you take of girls turn me on like no other. I think one of the best shots in your Sept. '15 issue is the photo of Kasey on page 81. That is a beautiful spread shot. Her holes look ready to accept a hard cock and her buttocks look like a perfect heart. I know I can always count on

We don't want to leave anything to the imagination.

18eighteen to give me the spread pussy and ass shots I want to see. Glamour shots are nice, but nothing makes me want to cum like seeing a spread pussy and butthole. Horny pervs like me want to see the holes that my cock would go into.–C.Z., Cocoa Beach, Florida

Dear C.Z.,

Thanks for the compliment, but we can't take all the credit. Kasey is exceptionally talented at spreading her holes.

The Young & The Breastless

Dear Virgin Territory,

I didn't think it was possible for a girl to be as flat as Rachel, but apparently I was wrong. When I saw her breastless chest on the cover of the Sept. '15 issue, I had to buy the issue immediately. I was not disappointed. She's got it all, from the figure to the face to the nether regions. She's tight and slim–how I like 'em, and that ass is also worthy of a medal. I've already mentioned her lovely flat chest. She's cute as a button in the face. And her pussy and butthole look perfect for licking and fucking. Going down on a girl is one of my favorite things to do, so I can appreciate a pristine pussy and ass. I would tongue-fuck both of her holes until my chin was dripping with her sweet teen nectar, then drive my cock home into her slit. I'm getting a chubby just thinking about it. And of course I would worship those tiny tits of hers, sucking and licking them whenever my mouth wasn't preoccupied with other things. Good job on bringing us, your readers, this magnificent flat teen.–J.C., via email

18eighteen *is a place where teen girls can proudly show off their tiny tits. And they don't get any tinier than Rachel's.*

Dear J.C.,

We thought the shirt Rachel was wearing on

the cover perfectly accented her flatness, and it sounds like we were right. In case you missed it, she also has a layout in the Dec. '15 issue, which you can order on page 11. She's also learning a XXX lesson in The School of Hard Cocks, *which is available for order on page nine.*

Protruding Puffies

Dear Virgin Territory,

I am and always have been fascinated by puffy nipples. In fact, the first puffy girl I fell in love with was Lena from your Holiday '00 issue (yes, I have been a long time reader). I had never seen a pair of nipples so protruding and puffy as hers, and to this day I think hers are still the puffiest I have ever seen. So I am always excited to see a puffy girl in your magazine, as I realize they are somewhat rare. Most recently you featured the adorable Patty and her mini puffs. I love her brownish-colored mushroom cap nipples atop her tiny breasts. I hope she knows just how tantalizing they are.

Patty slowly removes her bra, unsure if guys will like her puffies.

I adore puffy nipples so much that in the few instances in my life where I was faced with them, I was almost afraid to touch them. Sometimes they lose their puffiness when the nipple hardens, and I wanted to be able to admire them in all their puffy glory. I

prefer to cradle the breast and kiss around the nipple to preserve the puffiness. Of course, a nipple will only stay soft for so long when a girl is aroused, but I make sure to cherish the puffiness for as long as it lasts. And nothing gives me more pleasure than to be able to pull out and unload my spunk onto a pair of puffies. It's a glorious sight to see my cum glistening on the puffy nipples of a sweet, young thing.–F.S., Brighton, England

Dear F.S.,

We love puffies too. Some other puffies we've featured are Lolly (Oct. '13, Jan. '14, Sept. '14, Jan. '15), Alice (Holiday '13) and Karine (Jan. '12). You can order these back issues on page 11.

Madi Has It All

Dear Virgin Territory,

Madi from the Sept. '15 issue (not to be confused with the blonde Maddy from the same issue) is my favorite type of girl to see in your mag: young and fresh but sexy and blossoming into womanhood. I prefer larger breasts, but not the kind you have in *SCORE*. A C- or a D-cup is more than enough. Madi is smoking hot with her D-cups and amazing body. She looks like a model; and while I can appreciate the more approachable girl-next-door look, I can't help but be smitten with a girl whose beauty is far above average. Even her pussy looks like it belongs in a museum. She has the rare combo of gorgeous face, big tits, slender body and pretty pussy. Usually one of those things is off, but she has it all. Reading about how tight her pussy is drove me fuckin' nuts. I'll admit that I had an amazing jack session to her layout and thinking about what it would be like to put my cock into that vice-tight twat. I was so into my jack fantasy of her that I almost blew my cover when I moaned when I came. I haven't blown a load that big in months. Please give Madi my thanks.–R., Wichita, Kansas

Dear R.,

Too bad Madi didn't do hardcore for us. She is a total babe. Here's another photo of her for you to cum to.

Fannylicious

Dear Virgin Territory,

Thanks for the lesson about the word "fanny" in Ariana's pictorial. I was expecting to just jack off to her photos, but I learned something in the process! I'm sure men from both the US and the UK can agree that all Ariana's fannies are nice.–E.V., Fort Worth, Texas

Dear E.V.,

We're happy to both educate and arouse our readers.

Some readers might find Madi's tits to be too big. Not reader R.

Just A Note

Dear Virgin Territory,

You guys are doing much better. For every girl, whether she's fucking or not, please print one large pic of her standing and smiling naked from the mid-thigh up. Her body should not be turned and her hips not tipped and legs should be shoulder-width apart. Don't waste much time with clothes still on and over-posing. Make it more graphic.–Anonymous, Rochester, New York

Dear Anonymous,

What you described are called doctor shots, and we try to include them. We'll make more of an effort to get them for all our girls. In this issue you can see doctor shots for Lily, Naomi and Jennifer. 18

Liza

Deep Throat, Tight Pussy

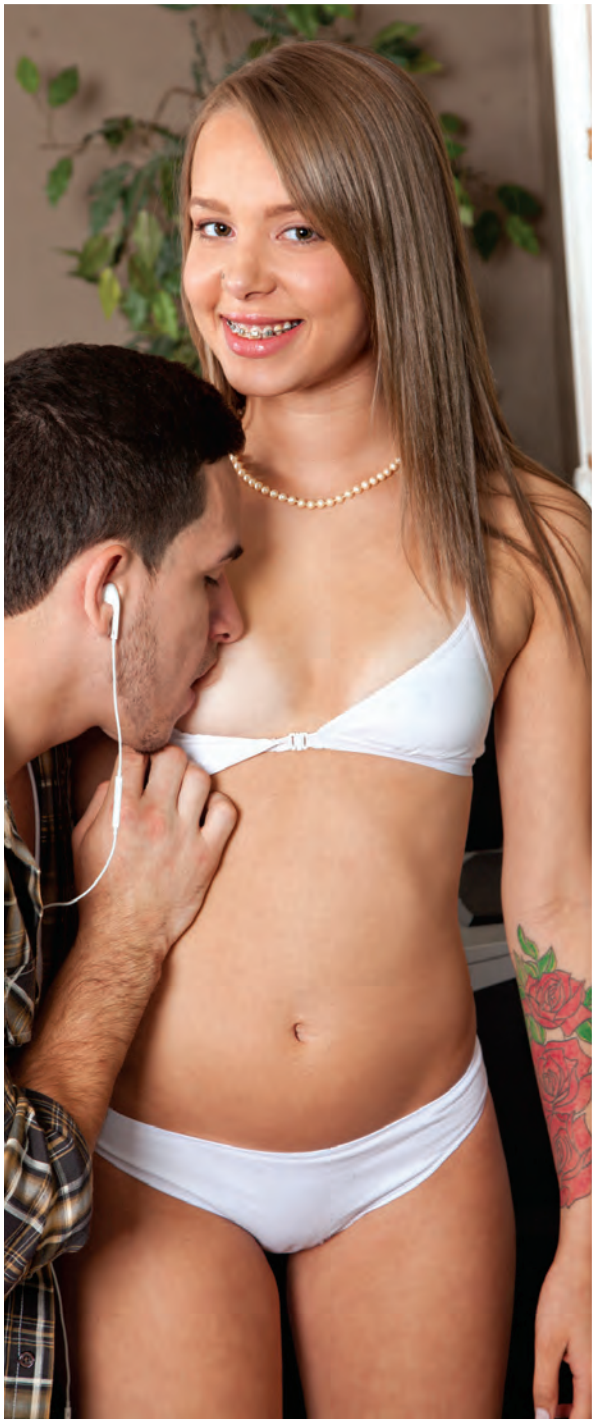

Guys get boners for her braces.

Liza is in detention with a big-cocked classmate, and well, you can guess what happens when they're left unattended. He takes out his cock and Liza can't help but wrap her lips around it. She's a skilled little brace-face who doesn't let her tinsel teeth get in the way of her blow job. Her eyes water as she takes him deep down her throat. Such a hot blowie earns her a passionate pussy-licking and dicking. She cums while diddling her clit as this guy thrusts into her box. And of course we couldn't let her walk away without covering those shiny braces in a gooey layer of cum. See the hot action in *The School of Hard Cocks*.

We noticed you shaved your pussy, Liza.

"Yeah, I wanted to try this bald thing out. It's actually pretty nice! I like how soft and smooth it is and how you can see every inch of my pussy now. I hear it's also nice for guys when they go down on you. I definitely feel more sensitive, too."

How were you more sensitive?

"It felt better when I was getting eaten out. I had more sensation down there. And I liked how I could feel my pussy juice spreading around my pussy as I got fucked."

Pucker Up

Lily has our favorite combo of traits.

She's a cute blonde girl from Ohio who is half wholesome and half naughty sex kitten. She likes hiking, going to hockey games and playing video games. One day she even wants to own a bakery. But Lily also likes to be sexually dominated and fucked every day. "I like to be completely controlled by someone, almost used," she said.

How did you lose your virginity?

"It was really sweet because it was with this guy I had a crush on for a long time. We spent a whole Saturday going at it and taking breaks to eat and play video games. He was really gentle and nice, and it was the ideal way to lose your virginity. He made sure to finger me–which I love–and eat me out for a long time before putting it in, so I didn't have too much pain when he popped my cherry. That was fun, but the more I started to have sex the more I developed a taste for kinky things. I wanted sex to be a little rougher, harder, a little dirtier."

What's been your kinkiest sexual encounter?

"Before I came to your studio I would masturbate on a web cam. One time when I was fucking myself with a dildo I got myself to squirt! I haven't been able to do it since, but I'm determined to make it happen again. I also had a three-way in a fancy hotel room. The guy was a champ. He had enough energy to fuck the other girl and me hard without cumming for a long time!"

The Election

A true story of teen lust–and ambition. Names changed to protect the not-so-innocent, of course.

By Jennie Johnson

Politics is a take-no-prisoners undertaking. I learned that in junior high, believe it or not.

My campaign to be head of the Senior Class Trip committee seemed doomed (Hey, going away with your friends for the weekend sans parents is a HUGE deal when you're in junior high) by the competition's plans for a massive push featuring her award-winning baker mom's fanciest iced cookies designed with her logo, colors and slogan. I had to one-up her.

So I threw a huge pool party the night before the election–live band (well, it was my brother, Reese, and his friends, but high school guys with guitars and nose piercings are Kryptonite to 13-year-old girls), snow cone machine, the works.

And of course, I had everyone on my team–from Reese's buds to the cute girl working the shaved-ice machine–wearing my t-shirts and buttons and generally espousing my qualifications as a supreme party planner.

I was a naughty, naughty girl.

I won by a landslide and have been making my mark on student government ever since. I'm kind of a Type-A personality if you haven't already figured that out. I work hard and play hard. And if I have to work hard and play dirty? So be it.

I needed to be Senior Class President. It would be one of the best extracurricular activities on my Ivy League college applications (I already had the grades). There would be some stiff competition. But–take time to smirk here–I've been good at handling stiffies for quite some time now. So, I knew what I had to do….

I was going to have to fuck my way to the top.

I wouldn't have to let every voter in the school sniff my panties, of course. Strategy is everything. So I selected a few key targets I knew could help deliver the votes to push me over the top. And if I could enjoy myself while doing it? Even better.

First up, there was Blair Stevens, captain of our beloved all-star football team. (Have I mentioned I live in Texas? High school football is a religion here.)

He was tall, buff and not bad on the eyes. Combined with his skills on the field, this made him deadly popular. He was also the steady beau of our bitchy queen cheerleader, Richelle, which made him deadly in other ways. He would be my most dangerous conquest.

Because if Richelle found out, she and her friends would serve me up a serious beat-down.

Number two, if I could manage it, was Sierra Sanchez–who was gunning for Prom Queen after wearing the tiara for Junior Prom the year previous. I had heard some rumors there was summer camp girl-kissing in her past, but you never know if these things are true.

I was aiming to find out. Sierra was a rare bird in the high school popularity zoo: pretty, of course, but just as sweet. She was universally friendly. She liked everyone. And everyone loved her. And if she endorsed me, I'd have the votes to sew it up.

Mr. Lewis was insurance. The teacher adviser to the whole of the Student Council, he was someone I'd been getting closer to since my stint as class Treasurer in 10th grade. And he was also sexy in that "friend's-dad-whose-cock-you'd-love-to-suck" kind of way.

Campaigning Sucks

I came upon him post-practice. Blair was a jock, it's true, but I'd known him for years. He wasn't the stereotypical dumb kind. He had a well-rounded transcript, got pretty good grades and did other extra-curriculars. That's how we knew each other.

"Hey, girl," he said, smelling fresh from the showers and looking good enough to swallow whole, "what are you still doing at school so late?"

"Oh, just some dance-related stuff," I told him. It wasn't exactly a lie. I had recently organized the decorations committee to jazz up the gym for the upcoming Harvest Party. But there wasn't anything related to it going on that evening.

"I came down here to see if any big, strong football guys could help me close up the bleachers. I need to get them inside the wall and take some measurements for something."

The bleachers were open. The rest? All lies. My pussy tingled. I was a naughty, naughty girl. And he had a bulge in his sweats.

"No one here but me," he said. "But I'm game."

We chitty-chatted our way to the gym. I walked slightly ahead of him, swaying my hips gently, feeling his eyes on my perky, little..... ass. Blair had a girlfriend, but he was a player. I didn't think this one was going to be too tough.

We wandered around under the bleachers trying to "figure out" where the latches were that would allow us to push them into the wall.

"So how's the class president thing looking?" he asked.

"Funny you should bring it up," I said, "batting my big, wide blue eyes up at him. "I was wondering if I might get your endorsement."

"What, this is like big-time politics now?" he laughed. "It's high school."

"True, but you're the big man on campus," I said, moving in closer. "If I wore your jersey, for example, it would probably make me more popular with everyone…"

"You want to wear my jersey…?" he said, smiling. "I don't know if Richelle would like that at all, but you'd look damn cute in it."

"I'd sleep in it," I said. "So I could smell you on me."

He shifted a bit. I could tell things were moving in those sweats. But I was standing right there. If he was going to touch it, he'd have to do it right in front of me.

My pussy tingled...And he had a bulge in his pants.

"…now if you wore my jersey," I continued, "…or more to the point, a "Jennie 4 Prez" t-shirt…?"

He looked at me, hungrily.

I took off my warm-up jacket and dropped it to the floor, revealing a tight white beater with my campaign logo. No bra. Nipples tight and hard and visible. My tiny shorts accentuated the V between my thighs.

Her pussy was like a wet, pillowy vice.

"I have them in men's sizes, too. Big enough for you," I purred. "Would you wear one?"

I slid into his arms and he lifted me as though I was a feather, hands sliding under the edges of my shorts as we kissed. His full lips were hot and sexy, his thick fingers spreading my cheeks apart. I imagined his mouth on my pussy…but this was supposed to be all about him. I moaned into his mouth.

"It sure would mean a lot to me if you'd wear my shirts and button." I spread my legs wider and pressed my cunny against his belly. I knew he could feel my heat. "Maybe after I can even show you my button…."

"Mmmm, damn…"

I slid to my knees, tugging at the waist of his sweats.

"You'll wear it?"

"Yes."

I tugged lower and the swollen head of his cock became visible. The tip was glistening.

"You'll wear it once a week at least 'til the election?"

"Yes."

I licked the creamy spend on the edge of his cock and all six-foot-three of him shivered.

"What if Richelle says something?"

"She can't tell me what to wear."

His big hands wrapped up in my hair and I took his long, thick prick deep into my mouth. I imagined what they looked like, smooth dark skin in my blonde hair, and sucked him in deeper. My mouth was hot and wet and his cock grew bigger. Choking me, almost, in the most delicious way. I could feel his cream collecting in the back of my throat and began to slide his cock in and out.

Hmm. Maybe I'd find us a strap-on.

"Mmmmmm," I purred, and he tensed. I slid a hand up his thigh, squeezing his balls gently. His cock grew harder and, somehow, longer. My pussy was getting wetter imagining myself climbing on top of his naked body, impaling myself on it, feeling it fill up my tiny, tight cunny.

"When I win that election, with your help, of course," I whispered, "I think we should celebrate…" I licked him, root to tip. "…How about you?"

"Definitely. Yes. Fuck, yes, girl."

I sucked harder, drawing my cheeks in, creating a tight pussy with my mouth to fuck him. Cupping his sac I felt it get tighter, his cock getting harder, closer, before he let it all go in my mouth. Moaning my approval, I swallowed every sweet, creamy drop. He didn't even have to worry about clean-up.

He kissed me, deep, before we said goodbye that night. And he wore my shirt to school the next morning. His girlfriend, ironically, was wearing my button on her game-day sweater. I smiled at them in the hallway and gave them a big, ol' thumb's-up.

Mission one, accomplished.

Mouth Music

Sierra Sanchez played the violin. Her dad did, too.

Again, we're in Texas. Lots of Mexican culture here, and her family was heavily involved in all our town's local celebrations thereof. In school, she played with the orchestra–she was really good, in fact!–and at home and around town, lots of mariachi-related music. Also good.

I don't play any instruments (pause here for skin flute joke and chuckle) but as an enthusiastic supporter of our high school, I have a long history of promoting all our accomplishments. Football? Of course–but they don't really NEED my help, per se.

The arts programs, however, will take all the help they can get.

I walked into the school's conservatory (actually an adjacent room to our cafeteria; music programs are sadly underfunded) where Sierra was practicing quite a lovely solo. She looked pretty beautiful, too. The light was streaming through the

What made you decide to get a job at the arcade?

"I'm trying to save up for braces. I asked my dad for them, but he said, 'Aeris, do you know how much braces cost?' Apparently, they're like, super expensive. So I'm trying to help out as much as I can. The reason I chose an arcade is because I'm kind of a video game geek. I could play video and arcade games all day! And since I'm the only girl who works here the guys all flirt with me. They love my glasses. I'm pretty petite so I guess they think of me as a little pixie gamer dream girl they'd love to fuck."

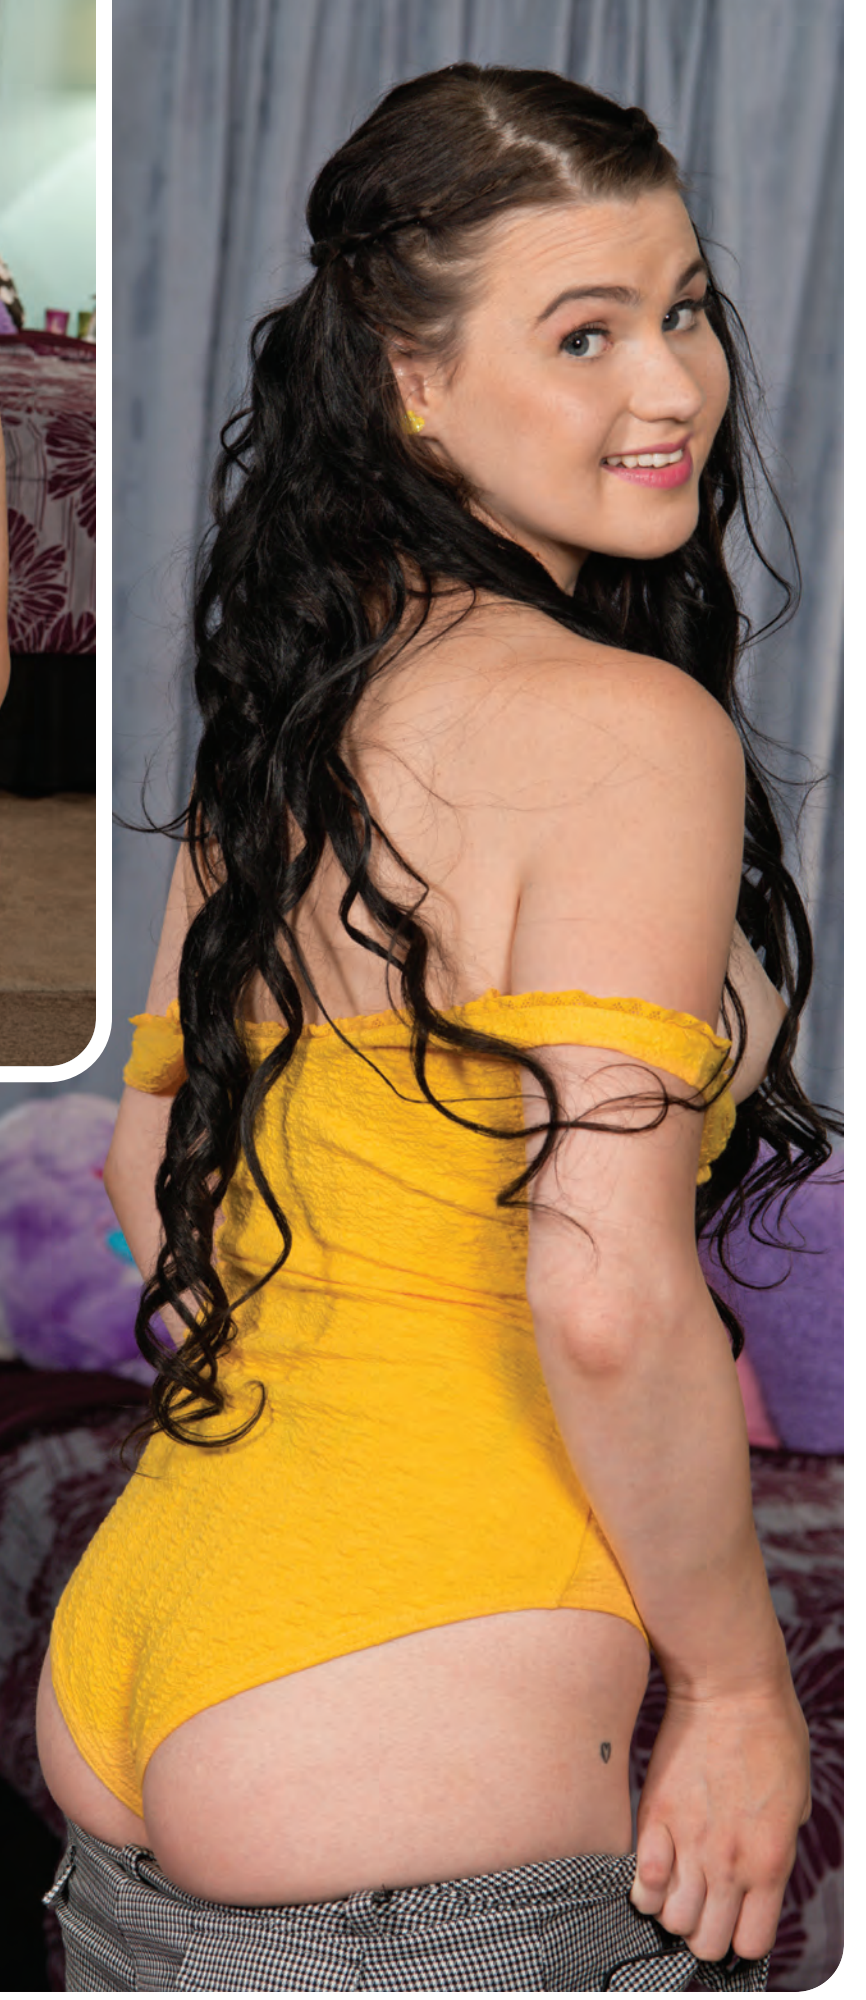

Have you ever had sex in the arcade?

"No, but I've definitely fingered myself in the bathroom after hardcore flirting with a cute guy! My coworkers kept teasing me about why I was in there so long."

Good Time Girl

Welcome, Danielle. Tell us about yourself.

"I'm a horny girl who just wants to have fun! I'm into guys and girls and my Hitachi Magic Wand. My favorite positions are doggie-style and being on my side. I've tried to count how many orgasms I've had in a row, but I lost count after seven! I'm an exhibitionist, but I'm more passive when it comes to sex. I like the guy to take control."

Do you like your butt played with?

"I really like anal licking and fingering, but I'm not sure about everything else yet. There was one time I had sex in a movie theater and that was the first time I had my butt fingered. It was almost empty except for maybe two or four other people, and we were in the back row. I got on top of him, and while I was riding him he gently slid a finger in my butt. I came almost instantly and had to bite my lip to not moan!"

Big Button

Can you tell what her favorite position is?

"This is what I do when I want a guy to fuck me from behind. I spread my cheeks and look back at him with a horny look. Doggie is my favorite. My second favorite position is reverse cowgirl," Naomi told us as we took this photo.

The girl likes it from behind!

And it is a lovely behind, but we also want to see her frontside. Her perky tits, pretty face and slender body keep cocks hard. And there's something else interesting about her frontside…that big clit! We didn't see it at first, but once she spread her legs for us that juicy button was sticking out, begging to be sucked. "My big clit definitely makes oral fun for me. I go nuts when a guy sucks on it."

THE ELECTION

window and her long black hair hung in a loose braid–like shiny rope–down her erect back. Her long, shapely, brown legs were crossed, easing her short pleated skirt higher up her legs.

Come to think of it, she often dressed as though this were a Catholic school. I never noticed that before. It was kinda hot.

"Hey…" I started, beginning my pitch, and she turned and smiled with an open face. Fifteen minutes later I was locking the door. I turned back to open legs.

She was sitting prone on a dented metal folding chair, hands braced on the seat behind her, knees so far apart I wondered whether she might do well on our gymnastics team (or perhaps have an interest in the yoga club). Her panties were girlish–white with tiny roses–but her pussy was all woman.

I pulled the crotch panel to the side and it splayed out before me. Unshaven and wild and sexy, a gaping slit revealing the luscious pink within–a sweet Mexican flower I could smell and taste.

I pushed my tongue tentatively toward the opening and she purred almost catlike, gripping the chair tighter, pressing her hips toward me. I pulled back and played with the folds of her pussy, opening her up into a gorgeous Georgia O'Keefe flower that bloomed from between her teenage thighs.

Between soft kisses and gentle tugs on her swollen, candy-sweet clit, we discussed my candidacy. Moreover, how super-cute she would look if she'd put one of my "Jennie 4 Prez" beaters under her sensible white shirt (the school dress code didn't allow for tank tops) and the extensive attention I would pay to the school's music programs. Not to mention her tasty, little cunny.

Sierra, it turned out, liked being finger-fucked, which was fine with me because she looked so darn sexy. She had a bit of a potty mouth, too, and seemed to love it when I slid my longest finger inside as far as it would go. Her pussy was like a wet, pillowy vice, squeezing me so tight I was glad for not wearing any rings that day.

I'd have to get us a dildo for next time, I thought, briefly imagining myself as a man–how good that tight pussy would feel pulsing around my shaft, how sexy she'd look if I could bend her over and see her back arching and her round ass bouncing off my body.

Hmm. Maybe I'd find us a strap-on. I'd do anything for the cause. This didn't seem like such a tough gig.

When she was done watching me suck my twat-drenched fingers clean, I talked a bit dirty myself. How sexy, I wondered aloud, would our sweet little pussies look, blonde and black bushes grinding up against one another, if I let my box go native for a couple of weeks. I was turning myself on, actually, imagining the sensation of two slick wet teenage pussies undulating against one another.

It made me hungry. So I ate. Tongue-fucking her sweet, young snatch, hands pressing her caramel-colored thighs as far as they'd go (I didn't want her messing my hair), I flicked her fat clit with my tongue like a hummingbird, fast and light, and just as I felt her close, I kissed her pussy deeply, french kissing her button, lapping it sloppily, noisily, like a hungry dog.

She bit her full lower lip to keep from screaming and came and came and came.

And when I saw her later, she had a bit of a bad-girl stride in her step. Her neatly buttoned white shirt was tied at the waist, Britney Spears-slut-fantasy-style, my logo stretched to the hilt across her perky breasts.

Oh, baby, baby. I could see victory in my sights.

A man could show me a thing or two.

Hot for Teacher

A couple of days later and it was Friday–game day! The school was awash in our colors. The football team was wearing their jerseys (I made sure Blair remembered our plans for me to wear his, rubbing his cock through his jeans under the counters in our AP bio classroom for good measure). Sierra was spreading the good word about me all over school and, predictably, everyone was listening.

That night, the whole school would be cheering on the team except a few of us "lowly" nerds. We were celebrating a recent coup with Mr. Lewis for the FBLA (Future Business Leaders of America); our little group had gotten the necessary funding to send us to a statewide meeting of similar school organizations in Dallas.

That meant we were going to get to stay in a fancy hotel.

Mr. Lewis took the lot of us to a local pizza joint. I noted that I'd be needing a lift home and he was kind enough to oblige.

Around nine p.m., when nearly the entire town was whooping it up at

If this set looks familiar...

That's because it's the intro for Jennifer's scene in *The Sex Tutor*. Before engaging in a hot three-way with Ms. Sasha and JMac, Jennifer has to pee. Sasha catches her tinkling on her lawn and gives her spanking!

How did you feel peeing for the camera? Did you feel shy?

"No, not at all. I'm pretty comfortable peeing in front of other people. I just made sure to drink a lot of water so I had a nice flowing stream. Once I felt that I had to go I had no problems peeing. When I'm at home or at a friend's house I always pee with the bathroom door open. I guess it's because I'm kind of an exhibitionist. I mean, I don't necessarily have a thing for peeing. But I'm not against it. And if it turns someone on I'm happy to let them watch me go."

See Jennifer's Pee Pics on
18eighteen.com!

What did you think of your scene with Sasha in *The Sex Tutor?*

"You know, I was totally cool with peeing, but I was nervous to be in the three-way with Sasha! I'd never fooled around with a hot MILF before. But once we got into it I liked letting her take control and tell me what to do. It was kind of nice to be given orders and to feel like a little fuck doll. That's what I really felt like since I'm so short compared to her and JMac! Speaking of which, one thing that really turned me on was when they both held me up in the air while JMac fucked me."

Maci
Timid to Tarty

Maci used to be shy. Not anymore.

She started off as a timid kitten who was hesitant to show off her body and transformed into a confident girl eager to flash her pussy. "After a couple of photo shoots I wasn't nervous to get naked. Now I look forward to taking off all my clothes and sucking and fucking a guy, whether it's just for his eyes or in front of a camera."

"Yes, definitely. At first I had no clue what I was doing. Now I get compliments all the time about the way I suck cock or the way I ride in cowgirl. Guys like my sex skills."

MagDownload.org

What have you learned about sex?

"I think the most important thing is that not everything has to be so fast and hard. That's fun and all, but going slow and being passionate feels really good, too. I used to think that I had to suck a guy's cock really hard and fast, but I've found that guys like it when I take my time going slow to worship their cock. And while I like getting pounded, I also like a slow stroke into my pussy. It's so good and makes me cum until I quiver and my pussy convulses around the cock."

THE ELECTION

Continued from page 60

our little stadium (ergo, fewer folks out and about to see me riding in a car with a teacher), I slid into the bucket seats of his Honda, allowing my skirt to ride up just a tad too high.

"Gee, it's a little cold," I said, shivering a bit for effect. My nips were hard and, I knew, totally visible through the cami-top I was wearing. "Gosh, though, this whole Dallas thing is really exciting. I've never stayed in a hotel without my mom and dad…."

"It's going to be a ton of fun," he said, fumbling for his keys. He was so adorably oblivious.

Mr. Lewis was around 45, I'd guess. He got divorced a while back. No kids. Super involved in school and my guess: no girlfriend to speak of. I don't know how he'd have the time with everything he did for us. He had sexy salt-and-pepper hair that he didn't cut often enough and the smile lines around his eyes let you know, right off the bat, that he was a nice, easygoing guy.

I'd never been with an older man (truth was, actually, I'd only ever even had actual SEX, like intercourse sex, with just one boy–my first boyfriend) but I had long dreamt of it. I wasn't super experienced. I just had ideas about what I liked and–as you probably figured out by now–a 'take the reins' kind of personality. That meant that generally, I took the lead and the boys–and sometimes girls–just let me.

A man? I figured a man could show me a thing or two, and I could just let go and be a girl. I found that idea to be very appealing.

Of course, Mr. Lewis wasn't going to make a move on me, though. He was way too nice and respectful. I'd have to push him there.

"I'm actually sort of nervous…" I said, voice quivering. Immediately, predictably, he stopped looking for the keys, turning to me with concern. I also noted that the place was officially closed. The last car had left the lot. We were alone.

"Why?"

"Well, the election's coming up. I want to win really badly because it will look awesome on my college applications, but I have exams, the

Vanessa, do you like to workout to stay in shape?

"Yes. I go to the gym to use the machines and I like to take their group classes. I like to be fit and I definitely don't want to gain any weight. But if I'm honest, I also go to check out the hot guys. There are so many of them. I'll get so turned on watching them workout that I have to be careful I don't leak through my knickers! Have you ever worked out with a trainer?

"Yes, and that was the best shape I've ever been in. I didn't miss a single session. And you know why? Because I had the biggest crush on him! Nothing motivates you to get in the gym like seeing your crush there, especially when you're working out with them. Sometimes when he would be explaining something to me I would zone out imagining myself ripping his pants off and putting his fat cock in my mouth. Nothing ever happened between us, but I enjoyed the eye candy."

What's your favorite way to workout?

"Probably spinning class. I feel exhausted afterwards, and I sweat so much. Plus I feel like it helps my cowgirl game. All the pedaling gives you a lot of endurance in your legs, and I can feel the difference when I'm riding a guy. I don't get tired so easy, and I can go for longer. Does sex count as exercise? That's probably another one of my favorite ways to workout. I enjoy an energetic fuck. I like to get all sweaty and feel my slick chest pressing against a man's chest as we slip and slide all over each other's bodies. It makes me feel like I really accomplished something."

THE ELECTION

Continued from page 76

FBLA trip, all kinds of committee responsibilities; I just don't know if I can pull off a win without letting everything else slip…." I let my voice break, just a little. He leaned in. Supportive. Almost like a daddy….

"No way," he said, pep-talking me. "You did more than this last year taking your SATs. You got this." He was strong and confident in the face of my vulnerability. I looked up at him with tears brimming on the edge of my Bambi-like lashes. I was so grateful. I was shaking–nerves, emotion–and I leaned in and kissed him.

He stopped, pulled back, shocked, and then the fire took him over and he was kissing me back. Oh, so good kissing me back. Like a man kissing me back. It was fucking spectacular and hot and more exciting than any of my other shenanigans. It was a man kissing me and I could feel it, and I loved it and on top of all that–my plan for the presidency was coming together. Perfectly.

I slid into his lap, my thin lace panties and his khakis were all that separated us. His cock was straining the zipper. But instead of reaching for it, instead of him groping at me like a high-school boy, we just kissed and bit each other's lips and tongues; and I got hotter and wetter, and I was sure I was staining his pants but I didn't care. And neither did he.

"I don't want to do this in the car," he whispered between kisses. "I want to do this properly."

"How about we do it in the car now and then properly in Dallas. All weekend. At the hotel."

He kissed me harder and told me he was going to eat my cunny for hours. I creamed all over myself. And I wasn't acting. I could imagine his beard against my thighs. His tongue in my pussy. His masculine hands gently holding my cunny lips open. His lips sucking on them.

He reached down and gently cupped my pussy and I shuddered as a finger slid beneath the elastic of my panties and into the wetness. I moaned in his mouth and he sucked on my tongue, fingering my box and showing me just what his tongue was going to do to me in Dallas.

"Please," I begged him, the election

all but forgotten.

He undid his pants as I eased up, giving him room, and a hefty, hard prick sprang loose, its heat leaning against my wetness, the head resting against my throbbing clit. I almost came right then.

I eased my hot, dripping tunnel down around him and we both sighed audibly. A perfect fit. And I

The orgasm was instant and hard.

began to ride him, slow and deep and hard with his big hands guiding me, holding my slender waist, going so deep, so fucking deep, my girly parts were convulsing around him. Kissing and fucking–what a novel idea. One hand slipped low, fingers edging toward my ass, OMG!

He didn't go inside. He just touched it. Pressed on my pucker between my cheeks. Right as his cock slid home. And I lost it. I lost it! I couldn't even help it. The orgasm was instant and hard, my snatch clamped onto him and I leaned back against the steering wheel and groaned as he held me. It was glorious. And it took a while for me to recover.

And now I sort of have a secret older boyfriend, I guess. Even if we can't get together again until the FBLA trip. We're still figuring out how to negotiate that. At least we won't have to once I graduate. And I'm still home fingering myself and dreaming of the hotel in Dallas. It can't come soon enough.

I won the election handily, by the way. All my hard work paid off and I snuck in a little time with Blair and Sierra to say thanks. I always keep my campaign promises; it's good policy. I found out later that all my work (fun though it was) was for nothing. Mr. Lewis is the Student Council adviser. He never even counted the votes.

But I like to think with all my efforts I got them anyway. 18

Alice
Anal Lesson

Ms. Sasha turns out yet another teen.

Horny MILF Sasha has been having a lot of fun giving sex lessons to teen girls in *The Sex Tutor*. But this session with little Alice is special. Yes, she shows Alice how to give a blow job. And yes, she teaches Alice how to lick clit and take cock like a seasoned slut. But this time around, she's making sure Alice's asshole learns a lesson too. And that lesson is how to take a thick cock all the way. Under Sasha's excellent tutelage, Alice gets an A in anal! "I didn't know if she'd be able to take Juan's cock," Sasha said. "But she made me proud by not only taking his cock, but loving it too."

You can feel the chemistry in this scene.

And Alice can feel it in her holes. Sasha tongue-fucks the teen's starfish to prepare it for anal. Once Juan is in her ass, Alice moans with her eyes half-closed, lost in ecstasy.

BRAT CHAT

HEIGHT: 5′3″ **WEIGHT:** 105 lbs.
BRA SIZE: 34A **BORN:** March 31
LIVES: Orange County, California

Go ask Alice...

Did she like her first anal threeway with a hot MILF? Of course she did! Sasha is an excellent teacher. "This was my first three-way, and I couldn't have asked for a hotter experience!" Alice told us after her scene. "It really helps to be with an older woman to guide you along the way. Going into it, I had no idea that I would end up doing anal. But I got so turned on from all the pussy licking, cock sucking and fucking that I was like, 'What the hell, let's do it!' Having a dick up your butt while you suck on a delicious clit…that's what I call pleasure."
